Dear Prof. Monika Motak,

On behalf of the entire School of Materials Science and Physics at China University of Mining and Technology and myself, I would like to give you my sincere greetings and congratulations on the occasion of the 50th Anniversary of the Faculty of Energy and Fuels at AGH University of Krakow.

The cooperation between the China University of Mining and Technology and AGH University of Krakow is reaching a milestone of 10 years in 2025, as the official memorandum of understanding between the two universities was signed in 2015. We are very pleased that the cooperation between us continues to bring mutual benefits.

We would like to celebrate with you and all members in your faculty this great landmark in the history of Faculty of Energy and Fuels, and express our congratulations on the great achievements and contributions your faculty has made over the past 50 years. We look forward to continuing our prosperous collaboration, working together towards a better future for our international community.

Yours sincerely,

Prof. Peizhong Feng
